great reasons you should be a member

1. Receive CONA support when your neighborhood is threatened by incompatible development. No need to reinvent the wheel! CONA's sole interest is protecting and assisting Sarasota County neighborhoods dealing with issues that adversely affect quality of life. Often there is little time to learn how to respond, so we mentor and speak at government meetings on your specific issues.
2. Network with other associations at CONA. Join CONA and learn how other neighborhood and condominium associations have successfully dealt with the very same issues your neighborhood now is facing. Learn how individuals can act without an association, or, how to form one.
3. Give your association a county-wide voice. By joining CONA your association gains a bigger, stronger voice in lobbying for your specific needs and helps set a neighborhood-friendly agenda for Sarasota County. Progress on your specific issues may be featured as updates at meetings.
4. Hear and meet candidates for public office and key ballot issues at CONA: during every election cycle, CONA holds candidate forums and programs featuring them, at which you may meet and question candidates about issues affecting your neighborhood and quality of life.
5. Attend monthly CONA membership meetings to learn about issues of importance and interesting monthly programs with guest speakers that are useful to member associations.
6. The CONA web site is full of helpful information, the schedule of upcoming meetings, a growing archive of resources, past meetings, media coverage, and information about CONA: <http://www.conasarasota.org/meetings.html>
7. CONA membership is only \$50 per year for your whole group (\$30 for an individual).

CONA usually meets at the Sarasota Garden Club, 1131 Boulevard of the Arts in Sarasota on the second Monday of each month at 7:00 p.m. A social precedes the meetings at 6:30. We will post meeting information including any change of venue on our web site and in our announcements.
